

DICOM

PAALGROUP

ECO (solar)

Solar Powered Compactors for medium-volume applications

- A typical machine will cope comfortably with 15-20 wheelie bins per day
- On a typical application, cost savings are likely to be around £150 per annum
 - Energy prices have increased by 33% in the last 4 years
- The absence of mains power means the compactors can be sited almost anywhere
 - Reduces carbon footprint emissions
